WINTER KIDS GOLF CLINIC

The Boys Anderson Golf program is offering a 3 Session Winter Golf Clinic to end 2024 and start 2025.

It will take place at [All in Golf](#) at 8182 Beechmont Ave, Cincinnati, OH 45255. All in Golf is a premier indoor simulator golf facility.

The clinic will take place on Dec. 30th, Dec. 31st and Jan. 2nd. Your child will be assigned to either the 9am to 10am session or the 10am to 11am session.

Your child can expect to learn the fundamentals of golf while having fun in a totally different setting than a typical golf course. This clinic will be designed for all skill levels as well, so if golf is completely new, there will be a place for your child.

This is open to kids from K-8th grade.
