

# Enroll today for Spanish Classes!

## Why learn Spanish with us?

- **Students acquire the language the natural way!**

We don't make students memorize verb conjugations like you did when you were in school. Our natural method easily engages students so that the lessons last a lifetime.

- **We teach the culture, too.**

Our classes, taught by native Spanish speakers, give kids a well-rounded education grounded in hispanic culture.

### What a parent says:

*"My daughter was enrolled for many years at her elementary school in Forest Hills and the payoff was huge. She enrolled in Spanish in middle school and excelled. She was then able to test out of Spanish 1 at St. Ursula Academy and move straight to Spanish 2 upon entering her freshman year. My daughter did not realize at the time but realizes now the impact and payoff of her early exposure to Spanish in elementary school. World of Spanish was a great investment of time and money!"*

*"The folks at World of Spanish understand deeply that the secret to getting kids to absorb a second language is to disguise learning time as playtime. Their approach isn't about rote memorization; instead they bring children to a space where culture and language intersect."*
