Building global friendship

# Ready for a new adventure?

CISV is a global organization dedicated to educating and inspiring for peace through building intercultural friendship, cooperation and understanding. Founded in 1950, today we are a federation of 69 Member Associations with over 200 Chapters or local groups. In over 60 years we have given countless children and young people the experience of their lives and the opportunity to build lasting friendships through our international educational programs.

For our 2024 camps, we are looking for people aged 10-15 years old who want to experience an international camp and get an experience of a lifetime!
