Exam Schedule

Next week will be final [second semester exams](#) for students in grades 9 - 11. See the previous link for the full schedule. Please note that courses with a standardized end of course exam (Advanced Placement and Ohio State Tests) will not have a separate final exam and students do not need to attend for those periods.

Medication Information

Medications that are left over at the end of the school year will need to be picked up by the parent/guardian. No medication will be sent home with a student. Come to the Turpin High School main office to pick up your medications at your convenience. We will dispose of any medications not picked up by the last day of school.

If you will have a student in school next year who will require medication during the school day, a new medication permission form must be completed. New forms must be obtained each school year. Each medication requires a separate form. Forms may be found on the Forest Hills School District website by clicking on the Resource Center tab.

During Mental Health Awareness Month, we are sharing information throughout May about different wellness programs at FHSD. Sources of Strength is a peer-to-peer suicide prevention program that was introduced this school year at Anderson, Turpin and Nagel. It is a comprehensive wellness program that focuses on suicide prevention but impacts other issues such as substance abuse, bullying and violence. This evidence-based program utilizes a

strength-based, positive approach to mental health promotion and the prevention of adverse outcomes like suicide, violence, bullying and substance misuse.
